YES TOP 35 U35 R1 FINALIST 2026

GREEN CHEMISTRY

SDG 3, 5, 8, 12

POPIA COMPLIANT

EXECUTIVE SUMMARY: Clenoval Skincare (Pty) Ltd integrates sustainable green chemistry with high-impact community health interventions. Operating across Midrand (Vorna Valley) and Estcourt (KZN), our mobile clinical skin diagnostics model directly addresses South Africa's unemployment, healthcare access, and enterprise development imperatives.

Core ESG Pillar Breakdown

PILLAR	METRIC / FOCUS AREA	CLENOVAL PERFORMANCE / TARGET	SDG ALIGNMENT
ENVIRONMENTAL (E)	Green Chemistry & Packaging	100% recyclable bottles, biodegradable formulations, solar-powered mobile diagnostic units.	SDG 12: Responsible Consumption
SOCIAL (S) - YOUTH	YES Initiative & Skill Transfer	12+ youth placements, HWSETA NQF4 certified clinical dermatology training, rural outreach in KZN.	SDG 8: Decent Work & Growth
SOCIAL (S) - HEALTH	Mobile Skin Diagnostics	APM Pro 100 clinical screenings for underserved corporate & mining workforces. Early dermatological detection.	SDG 3: Good Health & Well-being
GOVERNANCE (G)	Compliance & Transparency	CIPC 2025/468727/07, Tax Compliant, POPIA Data Protection, B-BBEE Level 1 (135% Procurement Recognition).	SDG 16: Strong Institutions

SOCIO-ECONOMIC DEVELOPMENT (SED) & ESD IMPACT:

- **Job Creation:** Direct employment generation for black youth in Midrand and Estcourt.
- **Enterprise Development:** Structured supply chain integration for local beauty and wellness micro-entrepreneurs.
- **Gender Equality:** Over 70% female participation across clinical and operational staff.
